

# Grand Rapids Amateur Radio Association

## **Executive Meeting - Sep 30, 2022**

Meeting called to order at 6:03 PM by President Greg Stoike N8HR.

### October Show and Tell

Will proceed with the same format for October, and kind of gauge how often we want to do this.

### Red Cross Partnership

Steven KD8MEY recognizes that the American Red Cross did a lot for the club and advocating for us to have space in the building and on the tower, and would like to keep relations friendly with them.

Steven recommends we remove the Red Cross donation from the budget due to not working together as closely anymore.

### Radio Room

New flooring is installed and painted. (Sherwan Williams "Icicle")

We can probably start putting things back in the room starting next week. Coax was stolen needs to be replaced. Club is not insured against theft.

Elevator situation needs to be worked out yet to provide accessibility.

### Elections

Ron K8DMR is not ready for elections yet - we will probably have the election in November.

### Hamfest

The September hamfest went well overall. One gentleman at the VE session passed all three exams.

### Other

Lisa W8LSA would like to do a bit more advance planning for club events, since more lead time is often needed to make necessary reservations and announcements.

Meeting adjourned at 7:10 PM. Minutes prepared by GRARA Secretary Dave Britten KD8DB.
