

Grand Rapids Amateur Radio Association

Executive Meeting - Aug. 31, 2022

President's Report - Greg N8HR

Greg has picked up Jim Leys' estate for selling at the hamfest.

Technical Director's Report - Stephen AC8QE

Bob Moe sent Steve a spreadsheet with table layout for the hamfest. Jack NY8D has wrist-bands and cards.

Stephen has some book sets and gift certificates to give away as door prizes. Club will buy a couple of \$50 gift cards to give away.

No VE session on Friday next week - we will be having a VE session at the hamfest on Saturday instead. Greg has updated the web site to reflect this.

The pre-hamfest dinner on Friday evening is still being decided. Might be at Steak & Shake or Sonic.

Stephen had a chance to talk to the Life EMS people. Radio room will possibly be available in October. We'll need to move equipment out of the garage as early as September.

The club is going to purchase a ladder, probably at least 32 ft.

Meeting adjourned at 6:54 PM. Minutes prepared by GRARA Secretary Dave Britten KD8DB.
